

A photograph of three howler monkeys in a domestic interior. One monkey is in the foreground, sitting on a grey rug and howling with its mouth wide open. Behind it, another monkey is also howling. To the right, a third monkey is partially visible, also with its mouth open. In the background, a wooden floor is visible with several pairs of shoes, suggesting a hallway or entryway. The overall scene is a juxtaposition of wild animals in a human environment.

Hallo Nachbarn, können wir bei euch abhängen?
